* Assignment 1 * REFERENCED BLOG RESPONSES * Assignment 1 *

1. Point your internet browser the * New Teech Times *
2. Click on TNTT categories either 'GELL' or 'Careers' (you can choose either Malay or English articles, it does not matter).
3. Click on and read TWO articles, and then submit a comment for each article.
4. What can you comment about? Anything! But you MUST comment in English and put ONE piece of reference to support your comment (see the example below).
5. Make sure you check your GRAMMAR on Microsoft Word first (cut and paste your comment to TNTT).

Follow this sample **EXACTLY**, and imagine you are Layman writing a response to:
Temu ramah dengan akhbar Berita Harian, ceraiian 'XY', Sabtu 9 Ogos 2008

Dear Mr. Teech Airil,

I think this article is rubbish because from what I read in a book, it says that you can succeed in life if you choose to work on your own, for example to start your own business. This article only talks about finding work in a company or the government. The reference to the book I read is:

Norman, J. (2004) *What No One Ever Tells You about Starting Your Own Business: Real-Life Start-Up Advice from 101 Successful Entrepreneurs*. Kaplan Business: Chicago, IL.

Thank you.

From Mr. Sulaiman Semaontots a.k.a. *Layman*, OM3YZ

Notes on Assignment One:

- a. You are free to agree or disagree with any of the articles.
- b. Make sure you use only *real* books, magazine articles, newspaper articles or journal articles to support your statement.
- c. Check with TNTT later and then PRINT OUT your comments after they have been accepted by the Editor of TNTT, keep copies in your PORTFOLIO.

3. Prepare a full colour A4 sized poster based on the 6 criteria under 'Formula Kerjaya Impian' in English. Translate the article on your own and ONLY use what parts of the article that you think is relevant. DO NOT translate and reuse the full article, please.
4. Make sure you check your GRAMMAR on Microsoft Word first (cut and paste your comment to TNTT, and that your poster design is cool and fantastic!
5. Print the poster on an A4 INKJET PAPER, do not use normal paper please (you can ask your parents for some money for this, tell your parents you want to go out to buy inkjet paper for your crazy English lecturer's assignment, and then after you buy the paper use the extra money your parents gave you to date your boyfriend or girlfriend ☺).
6. After you finish dating make sure this assignment is finished, or later your English lecture will finish you off!

Assignment Two Notes:

- a. If your parents do not want to give you money, take some from your PTPTN.
