* Assignment 1 * CREATIVE INFORMATION TRANSFER * Assignment 1 *

1. Point your internet browser to the * New Teech Times *
2. Find this article on TNTT and print it out: *Temu ramah dengan akhbar Berita Harian, ceraiian 'XY', Sabtu 9 Ogos 2008* (if you have not done so, if you already have a copy, no need *lah*).
3. Prepare a full colour A4 sized poster based on the 6 criteria under 'Formula Kerjaya Impian' in English. Translate the article on your own and ONLY use what parts of the article that you think is relevant. DO NOT translate and reuse the full article, please.
4. Make sure you check your GRAMMAR on Microsoft Word first (cut and paste to the poster), and that your poster design is cool and fantastic!
5. Print the poster on an A4 INKJET PAPER, do not use normal paper please (you can ask your parents for some money for this, tell your parents you want to go out to buy inkjet paper for your super crazy English lecturer's assignment, and then after you buy the paper use the extra money your parents gave you to date your boyfriend or girlfriend ☺).
6. After you finish dating make sure this assignment is finished, or later your English lecturer will finish you off.

Assignment One notes:

- a. If your parents do not want to give you money, get some from PTPTN or get some from your boyfriend or girlfriend.
- b. You are free to use whatever design you want for your poster – the more creative you are, the better!

*** Assignment 2 * DEVELOPING RELEVANT QUESTIONS FOR A SURVEY ON THE DREAM CAREER FORMULA IN UITM SERI ISKANDAR* Assignment 2 ***

1. Again, begin by referring to the article on 'Formula Kerjaya Impian'.
2. Next, look at the article carefully and come up with five relevant questions to survey UiTM Perak students, for each of the six formulas.
3. In total you need to develop 30 (THIRTY) questions altogether but make sure each question is no longer than one line only.
4. For each question, the answer given by the survey respondent should be either **Yes / Maybe / Not Really / No** only.
5. You must make sure the questions you ask are suitable with the answers given above.
6. Please check your grammar with the assistance of the spelling and grammar check feature of Microsoft Word.
7. Save a soft copy of the questions and also print out a hard copy for yourself. Keep this in your portfolio and we shall discuss this survey project right after the mid semester break ends.

*** Assignment 3 * MANTRA CHANTING * Assignment 3 ***

1. Shout the three lines below loudly, as many times as you can... then stop.
2. And then repeat again then stop.
3. Then repeat again.
4. Rest for a while, repeat some more until you get bored or you become crazy because of pressure and stress from doing too much work. Have fun, okay?!!
